Ljubljana is the capital city of Slovenia. The symbol of Ljubljana is a dragon, after the famous Dragon bridge over Ljubljanica.

The symbol of Podbočje is a lion.
There is a statue of a lion on a square
in the center of Podbočje.

Podbočje lies next to Krka river and that is why there are many bridges. The most famous ones are the wooden and stone bridge.

The symbol of school represents green grass and trees, blue water and sky and black roads.

The symbol of our kindergarden is a lion because children in the kindergarden are brave as lions.

We like the bees and we have a beehive on our school yard. We like eating the honey that our bees produce.

PRIMARY SCHOOL PODBOČJE

We have an outside classroom. There is a pond behind the bushes, there are many trees and a wooden bench and a table.
